# Global Indices and News

•Dow posts biggest one-day fall in 3 months; concerns over Trump agenda grow. The index started falling earlier on fears that Gary Cohn, a business friendly advisor to the president, could resign his role as director of National Economic Council because of Trump's remarks following the violent protests in Charlottesville

• Asia markets were pressured after Wall Street closed down on concerns over the Trump administration's ability to follow through on economic policy. Markets kept an eye on a terror attack in Barcelona that killed at least 13.

•Key data to watch out today U.S. Philadelphia Fed Manufacturing Index.
