And here are some details of the company and further details on the Antony Waste Handling Cell Ltd IPO issue.

Company details:

- **Antony Waste Handling Cell Ltd.** is one of the top five players in the Indian Municipal Solid Waste (MSW) management industry with an established track record of 17 years, providing full spectrum of MSW services which includes solid waste collection, transportation, processing and disposal services across the country, primarily catering to Indian municipalities.
- It is among the select few who have pioneered in MSW collection and transportation sector. It is among the key players in landfill construction and management sector with in-house expertise for landfill construction along with its management. It is also present in the emerging waste management area in India which is MSW based Waste to Energy (WTE).
- The Company primarily undertakes MSW C&T (Collection & Transport) projects, MSW processing projects and mechanized sweeping projects through itself and/or Subsidiaries. Having undertaken more than 25 projects till date, of which 14 are ongoing, it has demonstrated a track-record as a comprehensive service provider equipped with the resources to handle large-scale projects for municipalities as well as private players.
- Its portfolio of 14 ongoing projects comprised eight MSW C&T projects, one MSW processing (including WTE) project and five mechanized sweeping projects.
