### MTF Activation – Accept T&C

#### INTRODUCING MARGIN TRADING FACILITY (MTF)

×

Margin Trading Facility (MTF) is a leverage facility which enables an investors to buy shares above their resources.

#### Benefits of MTF

MTF(Margin Trading Facility) is ideal for investors who do not having sufficient cash balance but looking for benefit from the price movement in shares. The positions can be created against the margin amount which can be in the form of cash or shares as collateral. Investors can carry these position just by maintaining the minimum margin with no time **limit restrictions.** 

- Get upto 4x leverage.
- Utilization of shares in Demat account.
- Improve the return on the capital deployed.
- Enhance the buying power of the investors.
- Regulated by exchanges.

I agree with the Terms & Conditions
