

# **PREAPPLY IPO**

# How to use the Pre Apply IPO Feature on the Sharekhan Website

Applying for IPOs can sometimes be tedious. You need to rush in when the IPO opens and your application can go through only during market hours! We want to ease your journey in that respect. That is why, we have developed an intuitive yet advanced Pre Apply IPO Feature on the Sharekhan Website!

What can you do with this Feature, you ask?

The Pre Apply IPO Feature allows you to apply for IPOs before it is open for subscription.

#### Main benefits of the Pre Apply IPO Feature are as below:

- You can put in your IPO application before the IPO's actual Open Date 1.
- You don't have to rush during Market Hours to put in your IPO Application do it when you have the time! 2.

#### Points to Remember when using the Pre Apply IPO Feature:

- Pre Apply IPO Feature is available only when the IPO details come in officially to Sharekhan which is usually 4-5 days prior to IPO Open Date
- Money lying in your Sharekhan account is **not** blocked for pre-applying for IPOs
- You will need to authorise the IPO mandate that will come on your UPI App to submit your IPO application. This authorization request will come during the IPO period.

### Important Note: The Pre Apply IPO Feature is available on the App and Website. Walk through for the Website will be coming soon

Now that we have covered the what and what not of the feature, let's take a look at how to use the feature on the Sharekhan Website.

**Step 1:** Login to the Sharekhan Website. Once you login, you will see the **Overview** page.
