Contribution amount for FY 2025 – 26**

- MASK Research & Innovation Project Grant – INR 95,00,000
- MASK Education Infrastructure Support Program grant – INR 40,00,933
- MASK Balance grant – INR 3,20,000

Project for
MASK Research Grant under CSR for FY
2025 -26 – INR 95,00,000

Mirae Asset Foundation ESG Research Chair

in collaboration with SVKM Trust NMIMS

Fostering research and innovation to drive sustainable development and create impactful solutions for societal and economic challenges

CONTEXT & OBJECTIVES

ESG Evolving landscape : Environmental, Social and Governance : ESG: Moved to center stage-

Climate change, social equity, and responsible governance: Reshaping business practices globally

- industry looks to academia to train managers who can develop sustainable business models and can integrate ESG agenda in their business decisions.

OBJECTIVE :

The ESG Research Chair will serve as a strategic hub for research, education, and industry collaboration to advance ESG knowledge and practice.

The Chair will nurture leaders, thinkers, and changemakers who can translate ESG ideals into measurable impact for businesses and society

For the Mirae Asset Foundation, supporting this Chair is an opportunity to play a catalytic role in India's ESG journey. It positions the Foundation not merely as a benefactor but as a thought leader driving systemic change in how businesses approach sustainability.

PROPOSED ACTIVITIES

Research & Publications

- Research on ESG practices: India & Emerging economies
- Publish working papers, case studies, policy briefs, peer-reviewed articles, and teaching material in the area of ESG.

Knowledge Development

- Integrate ESG themes into MBA, Executive MBA, and Doctoral programs at NMIMS.
- Build capacity among students, faculty, and industry professionals through seminars, workshops, training & Certification programs.
- Foster partnerships with businesses, regulators, and international institutions in advancing ESG innovation and standards- Conclaves, Conferences, Roundtable Discussions

Action Projects

- Sustainability competitions, Innovation challenges, hackathons
- Execute and measure the impact of various ESG initiatives across NMIMS University.

1. MIRAE ASSET FOUNDATION ESG CHAIR RESEARCH PROJECT

YEAR WISE INDICATIVE IMPLEMENTATION PLAN AND ITS OUTCOMES

Year	Academics	Research & Publication	Conference/ Conclave/ Seminar/ Summit	Special Activity
I	Workshops for Students on ESG Themes- • STEM Education for Girls, • Data Security, Technology for Defense • Environmentally sustainable dyeing • ESG Case Study Analysis Workshop	• Case study on ESG • Research on ESG requirements for MSMEs • Development of an AI Model for Non-Destructive Crop Yield Forecasting • Fabric, Health, and Livelihood • Research on the Use of AI in Municipal Schools of Mumbai • Policy Book titled <i>“Enabling Equity for Disability Inclusion – An ESG Perspective”</i>	• ESG Training for MSME • Round Table on Nurturing Grassroot Entrepreneurs • National/International Conference/Conclave/ • Summits/ Symposiums on ESG themes.	• Green hackathons, • Inter School ESG Case Competition • Student presentations on ESG-related activities • Inter University Mediation Competition on ESG 2026
II	• Introduce one new elective on ESG theme (Example: Climate & Financial Markets/Carbon Accounting). Subject to be decided based on market requirement and in consultation with faculty and subject experts from industry	• Two to four research papers • Two case studies • Research on a Comparative study of ESG performance in MSMEs across industries. • Research on the Role of NGOs in developing Future-Ready Skills	• One National Level ESG Conference/ Round Table on Green Growth: Environmental Sustainability Practices for MSMEs	• Innovation challenges for the circular economy or waste management solutions • Student presentations on ESG field activities

YEAR WISE INDICATIVE IMPLEMENTATION PLAN AND ITS OUTCOMES

Year	Academics	Research & Publication	Conference/ Conclave/ Seminar/ Summit	Special Activity
III	Course on independent study on ESG topics such as carbon accounting, renewable energy finance, or social impact measurement.	- Three to five research papers - Two case studies. - Research: Adoption of green supply chain practices among MSMEs: Challenges and opportunities. - Research on STEM Education & its impact on children	- MDP for Industry Professionals - Environmental Summit: Role of small enterprises in climate change mitigation - One Corporate partnership for the ESG project - Participation in Policy consultations	- Inter-school sustainability competitions or hackathons. - Student presentations on ESG field activities
IV	Panel Discussions with ESG practitioners, sustainability officers, and policy experts	- Three to five research papers - Research Study: Consumer adoption behavior and preferences for EVs in urban and rural India.	- MDP for Industry & Development Sector Professionals - Business Conclave on Partnerships with NGOs and industry associations for environmental projects	- Stock market or investment challenges with ESG-focused portfolios. - Student presentations on ESG field activities
V	ESG risk management simulations/Financial modelling for sustainable investment decisions	- Study on Water scarcity and resource management practices among enterprises in developing countries. - Research on the Impact of Community Incubators on developing entrepreneurs in BOP Markets	- MDP for Industry & Development Sector Professionals - International Conference on Addressing Water Challenges: Best Practices and Strategies for Enterprises in the Global South	- Sustainability consulting projects for local businesses. - Student presentations on ESG field activities

Impact

Level of Impact	Key Indicators	Measurement Tools	Alignment with SDGs
1. Academic & Knowledge Creation & Foundational	• Publications in peer-reviewed journals • Policy briefs and case studies developed • ESG modules/topics integrated in MBA curriculum • Citations and global collaborations	• Citation databases (Scopus/Web of Science, etc.) • Curriculum audit • Course evaluations	• SDG 4 (Quality Education) • SDG 9 (Industry, Innovation & Infrastructure)
2. Institutional & Industry Impact on Policies & Practices	• Corporate partnerships for ESG projects • Contributions to policy/regulatory consultations • Organising Annual ESG Conference • Organising • Round Tables on ESG topics	• Partnership MoUs • Industry feedback surveys- • Policy/regulator citations- • Conference participation metrics • Field studies to document the impact.	• SDG 8 (Decent Work & Economic Growth) • SDG 12 (Responsible Consumption & Production) • SDG 16 (Peace, Justice & Strong Institutions) and other relevant SDGs
3. Societal & SDG-Aligned Impact	• Students trained and placed in ESG/sustainability roles during internships & Final Placements. • Outcomes of community projects (e.g., We Care, ESG pilots) • Tangible contributions to sustainability challenges (e.g., energy, gender, inclusion, ESG investments)	• Alumni career tracking • Social impact assessment reports • Stakeholder interviews	• Multiple SDGs can be aligned

Institutional Processes

- **Steering Committee: Monitoring**
 - A Steering Committee consisting of MAF executives & NMIMS University Faculty will be formed.
 - The ESG Chair Professor will present an annual plan with quarterly review reports to the Steering Committee.
 - MAF representatives will be engaged in planning and executing all events organised by the SDG Chair Professor.
 - A six-monthly financial expenditure statement will be provided to MAF
- **Acknowledgement**
 - **Naming & Branding:** All outputs, events, and communications will carry the title “Mirae Asset ESG Research Chair”.
 - **Annual Conference:** The flagship “Mirae Asset ESG Conference” will position MAF as a thought leader in ESG.
 - **Visibility in Publications:** All research papers, case studies, and policy briefs will explicitly acknowledge MAF’s support.
 - **Long-term Recognition:** Annual reports will highlight MAF’s Role in advancing ESG education and research, ensuring a lasting legacy of leadership in sustainability

Project for
MASK Educational Infrastructure Support
Program Grant under CSR for FY 2025 -26
– INR 40,00,933

2. MAF - YUVA UNSTOPPABLE – WHOLE SCHOOL TRANSFORMATION PROJECT - BENGALI SENIOR SECONDARY SCHOOL, CBSE LOW INCOME GOVERNMENT AIDED SCHOOL IN DELHI

Yuva Unstoppable School Transformation Programme addresses the issue for making schools cleaner, safer and more cheerful spaces.

About Bengali Senior Secondary School, CBSE Low Income Government Aided School :

- School established: 1899. Total number of students: 1628
- A century old Govt aided private School / Situated in Delhi City. Grade 6th to 12th / Medium of Instruction – English / co-ed school affiliated with the Central Board of Secondary Education (CBSE). The school charges a nominal monthly fee of ₹300
- The school which was constructed in 1899 is in urgent need for a new school building. With increasing number of students, current number of classrooms is no longer adequate. The existing building due to its age and deterioration condition, poses safety concerns and is not suitable for modern learning needs.
- **OBJECTIVE :** The project aims to transform Bengali Senior Secondary School by providing School building infrastructure, WASH facility (water , sanitation & hygiene) , creating STEM lab with interactive digital learning tools. This integrated approach ensures providing students with safe , inclusive & conducive learning environment, improved health, enhanced learning outcomes, and fosters creativity and critical thinking among students

Sr. No.	CSR Project	Year	Program	Location	No. of Students	Total Amount (in Rs.)
