# Punter's Call

## Bulls in driving seat

June 26, 2025

The Nifty opened on a flat note on June 26 and traded with a positive bias throughout the day to close up ~304 points. On the daily charts, we can observe that the Nifty has finally broken out above 24500-25200 consolidation zone on the upside. The daily and hourly momentum indicator has a positive crossover, which is a Buy signal. Thus, both price and momentum indicators suggest that the upmove is likely to continue. We expect levels of 25900 on the upside, which coincides with the weekly upper Bollinger Band. The support base shifts higher towards 24900, which is the 20-day moving average.

### Other technical observations

On the daily chart, the Nifty is trading above the 20-day moving average (DMA) and the 40-DEMA of 24932 and 24709, respectively. The momentum indicator has a positive crossover on the daily chart.

On the hourly chart, Nifty is trading above the 20-hour moving average (HMA) and the 40-HEMA of 25274 and 25166, respectively. The momentum indicator has a positive crossover on the hourly charts. The market breadth was positive with 1480 advances and 1406 declines on the National Stock Exchange.

Nifty daily: 2,5549

60-minute

Mirae Asset Sharekhan will not treat recipients as customers by virtue of their receiving this information/report.

The information contained herein is obtained from publicly available data or other sources believed to be reliable, and Mirae Asset Sharekhan has not independently verified the accuracy and completeness of the said data and hence it should not be relied upon as such. While we would endeavour to update the information herein on a reasonable basis, Mirae Asset Sharekhan, its subsidiaries and associated companies, their directors, and employees ("Mirae Asset Sharekhan and affiliates") are under no obligation to update or keep the information current. Also, there may be regulatory, compliance, or other reasons that may prevent Mirae Asset Sharekhan and its affiliates from doing so. This document is prepared for assistance only and is not intended to be and must not alone be taken as the basis for an investment decision. Recipients of this report should also be aware that past performance is not necessarily a guide to future performance, and the value of investments can go down as well. The user assumes the entire risk of any use made of this information. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved) and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. We do not undertake to advise you as to any change of our views. Affiliates of Mirae Asset Sharekhan may have issued other recommendations/ reports that are inconsistent with and reach different conclusions from the information presented in this recommendations/report.

This information/recommendation/report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject Mirae Asset Sharekhan and affiliates to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to a certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restrictions.

The analyst certifies that the analyst might have dealt or traded directly or indirectly in the securities of the company and that all the views expressed in this document accurately reflect his or her personal views about the subject company or companies and its or their securities and do not necessarily reflect those of Mirae Asset Sharekhan. The analyst and Mirae Asset Sharekhan further certifies that either he or his relatives or Mirae Asset Sharekhan associates might have direct or indirect financial interest or might have actual or beneficial ownership of 1% or more in the securities of the company at the end of the month immediately preceding the date of publication of the research report. The analyst and Mirae Asset Sharekhan encourage independence in research report/ material preparation and strive to minimize conflict in the preparation of the research report. The analyst and Mirae Asset Sharekhan do not have any material conflict of interest or have not served as officers, directors or employees or engaged in market-making activity of the company. The analyst and Mirae Asset Sharekhan have not been a part of the team which has managed or co-managed the public offerings of the company, and no part of the analyst's compensation was, is or will be, directly or indirectly related to specific recommendations or views expressed in this document. Sharekhan Ltd, or its associates, or analysts.

have not received any compensation for investment banking, merchant banking, brokerage services or any compensation or other benefits from the subject company or from a third party in the past twelve months in connection with the research report.

Either Mirae Asset Sharekhan or its affiliates or its directors or employees/representatives/clients or their relatives may have position(s), make market, act as principal or engage in transactions of purchase or sell of securities, from time to time or may be materially interested in any of the securities or related securities referred to in this report and they may have used the information set forth herein before publication. Mirae Asset Sharekhan may from time to time solicit from, or perform investment banking or other services for, any company mentioned herein. Without limiting any of the foregoing, in no event shall Mirae Asset Sharekhan, any of its affiliates or any third party involved in, or related to, computing or compiling the information have any liability for any damages of any kind.

Forward-looking statements (if any) are provided to allow potential investors the opportunity to understand management's beliefs and opinions in respect of the future so that they may use such beliefs and opinions as one factor in evaluating an investment. These statements are not a guarantee of future performance, and undue reliance should not be placed on them. Such forward-looking statements necessarily involve known and unknown risks and uncertainties, which may cause actual performance and financial results in future periods to differ materially from any projections of future performance or results expressed or implied by such forward-looking statements. Sharekhan Ltd and its affiliates undertake no obligation to update forward-looking statements if circumstances or management's estimates or opinions should change, except as required by applicable securities laws. The reader/investors are cautioned not to place undue reliance on forward-looking statements and use their independent judgment before taking any investment decision.
